

Matt. 7:1-6

1. Do not judge, in order that you will not be judged. 2. For, with which judgment you are judging, you will be judged. And with which measure you use on others, it will be measured to you. 3. Why do you notice the speck in your brother's eye and you are not discovering the beam in your eye? 4. Or, how will you say to your brother, "Permit, I will take the speck out from your eye." and behold, the beam is in your eye? 5. Hypocrite! First take the beam out from your eye, and then you will see clearly, in order to take the speck out from your brother's eye. 6. Do not give a holy thing to the dogs. Neither throw your pearls before the pigs, in order that they will not trample them under their feet, and turning around, they will tear you to pieces.
